Proudly present:

"THE ART OF MASK MAKING"
Children's Workshop!!!

This fun-filled 4 week workshop children (ages 6-12) will learn to make masks, as a sculptural object. You will work with clay, papier mache and acrylic paints to create unique and individual works of art. At the end of the workshop they will bring these masks "to life" (which they keep) enacting what they have created. Much more than just slapping paint on a canvas/mask, in this case!

LET'S GET CREATIVE!! AND HAVE FUN AT IT!!
